CERTIFICATE OF REGISTRATION

ISO/IEC 27001:2022 and ISO/IEC 27701:2019

The Certification Body of Schellman Compliance, LLC hereby confirms as a result of the certification decision, according to ISO/IEC 17021-1, that the following organization operates an Information Security Management System and Privacy Information Management System that conforms to the requirements of ISO/IEC 27001:2022 and ISO/IEC 27701:2019

Microsoft Corporation

for the following scope of registration

The scope of the ISO/IEC 27001:2022 certification covers the Information Security Management System (ISMS) supporting Microsoft Azure, Dynamics 365, and other Online Services that are deployed in Azure Public and Government Cloud including their development, operations, and infrastructure and their associated security, privacy, and compliance and inclusive of the requirements and control implementation guidance of ISO/IEC 27701:2019 for a privacy information management system (PIMS) as data processor per the statement of applicability version 2026.01.

which includes the following in-scope locations on pages 13 - 17

Certificate Number: **1729711-18**

Authorized by:

Danny Manimbo
Managing Principal, Schellman Compliance, LLC
4010 W Boy Scout Blvd, Suite 600
Tampa, Florida 33607, United States
www.schellman.com

Issue Date	Original Registration Date	Expiration Date	Certificate Version
June 25, 2026	**November 29, 2011**	**June 16, 2029**	**Version 18**

CONDITIONS & LIMITATIONS:

1. The aforementioned organization has a perpetual responsibility to maintain compliance with ISO/IEC 27001:2022 and ISO/IEC 27701:2019 during the period of certification.
2. This certificate is subject to the satisfactory completion of annual surveillance audits by Schellman Compliance, LLC.
3. ISO/IEC 27001:2022 and ISO/IEC 27701:2019 compliance audits are not designed to detect or prevent criminal activity or other acts that may result in an information security breach. As such, this certification should not be construed as a guarantee or assurance that an organization is unsusceptible to information security breaches.
4. The information in this document is provided "AS IS", without warranties of any kind. Schellman Compliance, LLC expressly disclaims any representations and warranties, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose.
5. This certificate is the property of Schellman Compliance, LLC and is bound by the conditions of contract. The authenticity of this certificate can be validated by contacting Schellman Compliance, LLC.
6. The organization operating the certified ISMS and PIMS is monitored by Schellman Compliance, LLC during the term of the certificate.
7. This ISO/IEC 27001:2022 and ISO/IEC 27701:2019 certificate does not authorize the labelling of products, processes, or services.
