CERTIFICATE OF REGISTRATION

ISO/IEC 27001:2022 and ISO/IEC 27701:2019

The Certification Body of Schellman Compliance, LLC hereby confirms as a result of the certification decision, according to ISO/IEC 17021-1, that the following organization operates an Information Security Management System and Privacy Information Management System that conforms to the requirements of ISO/IEC 27001:2022 and ISO/IEC 27701:2019

OpenAI, OpCo, LLC

for the following scope of registration

The Information Security Management System (ISMS) and Privacy Information Management System (PIMS) of OpenAI and its affiliate companies encompass the people, processes, and technologies used to develop, deploy, operate, and secure OpenAI products and services provided to organizations and API users. The certified scope includes the products listed in the “Product compliance status” table at https://openai.com/product-compliance-status, version 1.1, last updated August 4, 2026. It also includes OpenAI-managed features and capabilities made available as part of those products and services. The scope does not include ChatGPT Business, Beta Services, consumer services, nor does it extend to third-party platforms, applications, or systems connected to or accessed through OpenAI products and services.

This scope aligns with the control implementation guidance and additional control sets of ISO/IEC 27017:2015 and ISO/IEC 27018:2025, and also includes the PIMS requirements, control implementation guidance, and additional control set of ISO/IEC 27701:2019 in the role of a personally identifiable information (PII) processor, as outlined in the statement of applicability, version 3, dated June 10, 2026.
